GENERAL INFORMATION

If employment opportunities are not available or are otherwise insufficient (i.e., on campus employment), and a student is experiencing economic hardship due to unforeseen circumstances beyond their control, the student may apply to the United States Citizenship and Immigration Services (USCIS) for an off-campus work permit after having been in lawful F-1 status for at least one academic year. USCIS requires that the student make a "good faith effort" to locate employment on campus before applying for employment based on economic hardship.

APPLICATION PROCEDURE CHECKLIST

- Completed USCIS Form I-765 (https://www.uscis.gov/i-765)

- All Form I-20(s)
- Passport
